Mortal Kombat has released first-look images today, and they have certainly generated all kinds of attention for Warner Bros.' new movie reboot. However, as Mortal Kombat fans debate the merits of the new imagery and/or story details, one character from the ensemble is becoming a trending topic, for a pretty unexpected reason. The Mortal Kombat reboot's cast features Supergirl star Mehcad Brooks as Major Jackson "Jax Briggs, one of the breakout characters from the Mortal Kombat II arcade game. However, fans looking at the new Mortal Kombat movie photos can't seem to unsee the fact that Brooks's Jax looks a lot like show host Steve Harvey! In fact, the Internet is lit up right now with Mortal Kombat fans and mainstream viewers alike all going in on "Steve Harvey" as Jax. Some fans think it's a hilarious comparison, while others aren't so keen on the idea of Mehcad Brooks' efforts being overshadowed. On April 16, 2021, Warner Bros. will be releasing Mortal Kombat, the latest film to come to the video game franchise. Set to be the first film to give viewers a true recreation of the violence in the iconic fighting game series, Mortal Kombat could turn out to be one of the better video game films out there. We're still a ways away from the film's release, but today Warner Bros. has unleashed this first look at Mehcad Brooks (Supergirl) as Jackson "Jax" Briggs, who's been in the franchise since Mortal Kombat II and will be making his third live-action movie appearance. Today, Warner Bros. has released a motion-poster giving you your first look at Jax from this film—you can see that up above.Mortal Kombat follows Cole Young (played by Lewis Tan), an MMA fighter with a connection to something bigger than he ever knew about himself. Why else would Sub-Zero be after him? What is his connection with Special Forces Major Jackson "Jax" Briggs? This feels like it'll be a darker, more accurate take on the Outworld/Earthrealm conflict at the heart of this series, with this version of Jax primed and ready for action.Image via Warner Bros.Mortal Kombat will release its official trailer tomorrow (Thursday, Feb. 18); stay tuned for that, and be sure to check out Mortal Kombat when it hits theaters and HBO Max on April 16.
